

Company overview and product catalogue

Keeping the world at the right temperature

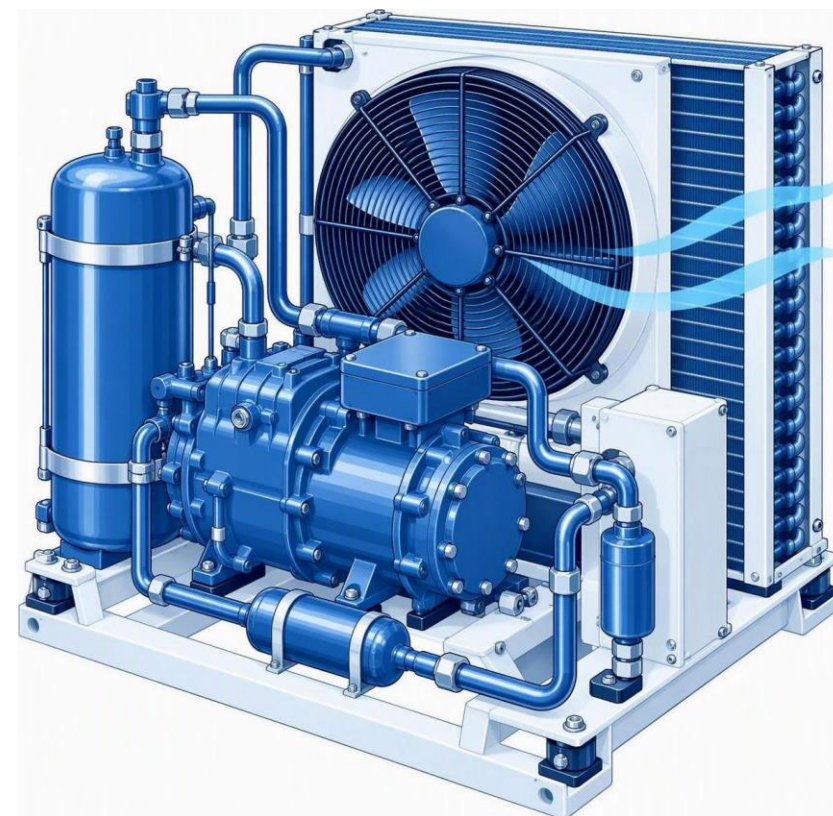

Refrigerants / HVAC & Cooling / Marine & Yachting Supplies

Company overview

Kontes Marine has specialised in **HVAC systems and refrigeration supplies** for more than 72 years, establishing a reputation for quality, reliability, and technical expertise.

Today, the company extends this proven experience to the marine and yachting industry, offering advanced refrigeration solutions alongside a comprehensive range of **marine services and supplies**.

Product catalogue

01

Refrigerants

Refrigerant gases for all types of refrigeration systems

02

HVAC Equipment & Tools

Tools and ancillary for industrial refrigeration solutions and residential air conditioners

03

Marine & Yachting Supplies

Equipment and spares for commercial vessels and yachts

Refrigerant gases

Supply formats: isotanks, drumrolls or cylinders

**Official distributor of Chemours
refrigerants in Greece**

Refrigerant types by classification:

- **HFCs**
R-134a, R-404A, R-407C, R-410A, R-32, R-507A, R-152a
- **HFO/HFC blends - lower GWP**
R-448A, R-449A, R-513A, R-454B, R-452A
- **HFOs - very low GWP**
R-1234yf, R-1234ze, R-1336mzz
- **Natural refrigerants: low GWP**
R-744 (CO₂), R-717 (NH₃), R-290, R-600a

Refrigerants

Refrigerant gases for all types of refrigeration systems

02

HVAC Equipment & Tools

Tools and ancillary for industrial refrigeration solutions and residential air conditioners

03

Marine & Yachting Supplies

Equipment and spares for commercial vessels and yachts

HVAC Compressors and chillers

Compressor types:

- Open-Type Reciprocating Compressors
- Scroll Compressors
- Digital Scroll Compressors
- Screw Compressors
- Semi-Hermetic Screw Compressors
- Open Screw Compressors
- Centrifugal Compressors
- Rotary Compressors
- Inverter / Variable Speed Compressors
- CO₂ Compressors
- Natural Refrigerant Compressors
- Low / Medium / High Temperature Compressors

Refrigeration controls

KIOUR Product categories:

- Refrigeration controllers/air conditioning
- High temperature controllers
- Marine applications
- Humidity / compensation / pressure
- Supervisors limit - phase / level
- Data logger – network
- Temperature sensors

A/C Refrigeration cleaners

Surf Chem Products:

- **Eco Brite:** Highly concentrated, high-foaming, biodegradable alkaline-solvent condenser coil cleaner.
- **Surf Brite:** Highly concentrated, high-foaming acid-solvent condenser coil cleaner and brightener.
- **D200A:** Highly concentrated, heavy-duty evaporator coil cleaner and deodorizer.
- **Surf Clean:** Highly concentrated, heavy-duty evaporator coil cleaner.
- **Surf Inox:** Salt remover for ice machines, cooling water machines and titanium/stainless steel heat exchangers.

A/C Silicones and Tapes

LOGO Products:

- Neutral Cure Silicone
- Acetoxy Silicone
- High Temperature Silicone (RTV)
- HVAC Silicone Sealant
- Fire Rated Silicone
- Anti-Mould Silicone
- Weatherproof Silicone
- Industrial Silicone Sealant

Brackets and insulated copper pipes

Products manufactured in Greece:

- Galvanized air-condition brackets
- Insulated copper pipes

Residential Air-condition solutions

Private label air-condition types:

- Portable air conditioners
- Wall-mounted single-split systems
- Multi-split systems
- Floor-standing / console units

Product catalogue

01

Refrigerants

Refrigerant gases for all types of refrigeration systems

02

HVAC Equipment & Tools

Tools and ancillary for industrial refrigeration solutions and residential air conditioners

03

Marine & Yachting Supplies

Equipment and spares for commercial vessels and yachts

Marine machinery & spare parts

Propulsion & machinery

Engines & turbochargers
Engine spares & kits
Generating sets
Auxiliary machinery

Pumps & fluid systems

Pumps & replacement parts
Valves & pipe fittings
Filtration & separation
Heat exchangers

Specialist marine systems

Freshwater generation
Boilers & thermal systems
Oily-water separation
LNG/LPG equipment

Onboard supplies & safety

Climate & refrigeration

Marine air conditioning
Ventilation & air handling
Refrigeration components
Refrigerants & controls

Chemicals & consumables

Cleaning & descaling
Water-treatment chemicals
Lubricants, seals & gaskets
Anodes, sealants & tapes

Power & safety

Batteries & converters
Shore-power equipment
Liferafts & lifejackets
Survival gear & beacons

Yacht equipment & technical services

Propulsion & onboard systems

Thrusters & steering
Stabilisers & deck systems
Power & battery systems
Navigation & radios

Comfort & water systems

Yacht air conditioning
Refrigeration
Watermakers & heaters
Pumps, tanks & sanitation

Technical services

Repairs & overhauls
HVAC & electrical servicing
Maintenance & refits
Approved safety servicing
